Why Attend Courses at FibreClean

IICRC Certified - Courses hosted by FibreClean are IICRC certified. FibreClean only uses IICRC Approved instructors to teach our classes.

Staff Have Taken Courses - We know the courses are great because we have attended them. All FibreClean staff take the certified courses and many have gained their Masters designations.

FAP - Frequent Attendee Program - Attend 5 IICRC approved courses and you get the 6th course FREE. No group registration, we will track your courses for you. (Some restrictions apply)

FibrePoints - Earn rewards while you go to class. For every dollar you spend on courses you will receive 10 points. You can also redeem your points for course fees.

Hands On - We have plenty of room for hands-on experiences.

Free Lunch - You will receive a free lunch every day you are in a FibreClean hosted course.

Show Room - You can see, feel and demo equipment in our showrooms.

Experience - FibreClean has been hosting IICRC courses since opening our doors in 1978.

Instructor: Mark Violand

Mark Violand has been in the floor covering business since 1977. Carpet care was his first encounter. As consumers became more interested in other types of floor coverings, so did Mark. As a certified senior carpet inspector, Mark now operates an inspection, correction and repair business which handles all types of floor coverings.

Mark is an IICRC approved instructor in the following categories:

- Carpet Cleaning Technician
- Carpet Repair and Reinstallation Technician
- Commercial Carpet Maintenance Technician

Course Outline: CCMT

Teaches entry-level commercial carpet cleaning techniques to individuals engaged in the maintenance of commercial facilities. In addition to the basics of carpet construction, emphasis will be placed on teaching IICRC S100 carpet cleaning methodologies, safety procedures, and pro-active techniques to individuals who will perform these procedures in the field. Course graduates will have a basic understanding of the importance of preventative, interim, restorative and salvage cleaning and how they contribute to the overall success of the commercial carpet maintenance program.

Course Outline: RRT

Opportunities • Tools & Equipment • Carpet Construction Types • Installation Types • Installation Sequences • Step by Step Instructions • Repair Techniques • Installation Problems • Installation Procedures

FibreClean Frequent Attendee Program

These courses are eligible for credit in FibreClean's Frequent Attendee Program (F.A.P.). Please ask your local FibreClean store for more details and sign-up today!

APPROVED COURSES

IICRC owns no schools and produces no training materials. However, the IICRC does recognize established schools throughout the nation that meet specific standards of certification.

Anyone attending these schools has the option at the end of the course to take an IICRC Certification Examination.

That examination, along with proper application and fees, is forwarded to IICRC for processing. Once a person meets the qualifications, they are sent Certification credentials.

Certification:

Certification testing begins immediately following the course.

Note:

Separate application and cheque or credit card, payable to the IICRC in U.S. Funds, is required for certification. This must be paid to the instructor at exam time. Certification fee is \$50.00 U.S.

Cancellation Policy:

If Fibreclean needs to cancel the course, students will be given a full tuition refund. Fibreclean will not be held responsible for any cancellation fees for travel or accommodations. Student fees are non-refundable if cancelled by registrant.
