**APPROVED COURSES**

the clean trust (formally IICRC) owns no schools and produces no training materials. However, the clean trust does recognize established schools throughout the nation that meet specific standards of certification.

Anyone attending these schools has the option at the end of the course to take the clean trust Certification Examination.

That examination, along with proper application and fees, is forwarded to the clean trust for processing. Once a person meets the qualifications, they are sent Certification credentials.

#### Certification:

Certification testing begins immediately following the course.

#### Note:

Separate application and cheque or credit card, payable to the clean trust in U.S. Funds, is required for certification. This must be paid to the instructor at exam time. Certification fee is \$50.00 U.S.

#### Cancellation Policy:

If Fibreclean needs to cancel the course, students will be given a full tuition refund. Fibreclean will not be held responsible for any cancellation fees for travel or accommodations. Student fees are non-refundable if cancelled by registrant.

### Instructor: Joey Pickett

Joey Pickett is President of Service Consultants and Joey's Carpet Care of Lexington, Kentucky. With over 32 years of experience, he is recognized by the IICRC as a Certified Master Cleaning Technician, Restorer, and Senior Inspector. He serves on the IICRC Standards Committee as Contents Chapter Co-Chair of the S-500 Water Damage Restoration Standard, Chairman of the S-300 Upholstery and Fine Fabric Cleaning Standard, and has provided peer review for several other standards.

Joey is well known as an IICRC-approved instructor, TV and radio personality, and offers presentations on a wide variety of technical, management, marketing, and inspirational topics.

Joey works as an industry consultant and coach to cleaning and restoration companies, insurance companies, carpet and fiber manufacturers, consumer reporting agencies, trade associations, chemical and equipment manufacturers and suppliers.

Joey's presentations are fun, down-to-earth, and extremely informative.

### Instructor: Pat Dooley

Pat Dooley has been involved in the Restoration industry for over 30 years, owning a restoration company with 8 locations throughout British Columbia, then as Director of Restoration Development and IICRC training for Stanley Steemer.

Pat has been involved in Catastrophic Loss Management for all hurricanes and major flooding in North America to date, including Florida's Hurricane Andrew in 1992, the 4 Florida hurricanes in 2004, and New Orleans' Hurricane Katrina in 2005.

Pat became a lead instructor for Dri-Eaz Products in 1999, writing and teaching the first Applied Structural Drying course offered. He then founded Restoration College, averaging 75 schools per year for restorers and insurance adjusters throughout Canada and the U.S.

He is currently the only Canadian IICRC-approved restoration instructor with field experience.

As a Voluntary Committee Member of the IICRC, Pat participated in rewriting the new S500 Water Damage Standards section on Large Loss Drying.

Today Pat continues to teach, write articles, manage catastrophic losses with his company, Drytech International, as well as providing expert witness testimony in legal disputes involving the restoration industry. He is a keynote speaker at many conferences including the Canadian Adjusters Association, and is a consultant and trainer to the Insurance industry.

Pat Dooley is the only Canadian instructor among 6 IICRC-approved, worldwide, to teach the new IICRC Commercial Drying Specialist course.
