Why Attend Courses at FibreClean

theclean**trust (IICRC) Certified** - Courses hosted by FibreClean are certified by the**clean**trust (formally the IICRC). FibreClean only uses the**clean**trust Approved instructors to teach our classes.

Staff Have Taken Courses - We know the courses are great because we have attended them. All FibreClean staff take the certified courses and many have gained their Masters designations.

FAP - Frequent Attendee Program - Attend 5 the**clean**trust (IICRC) approved courses and you get the 6th course FREE. No group registration, we will track your courses for you. (Some restrictions apply)

FibrePoints - Earn rewards while you go to class. For every dollar you spend on courses you will receive 10 points. You can also redeem your points for course fees.

Hands On - We have plenty of room for hands-on experiences.

Free Lunch - You will receive a free lunch every day you are in a FibreClean hosted course.

Show Room - You can see, feel and demo equipment in our showrooms.

Experience - FibreClean has been hosting the**clean**trust (IICRC) courses since opening our doors in 1978.

FibreClean Frequent Attendee Program

These courses are eligible for credit in FibreClean's Frequent Attendee Program (F.A.P.). Please ask your local FibreClean store for more details and sign-up today!

Complimentary lunch provided
Classes start at 8:30 AM

Instructor: Pat Dooley

Pat Dooley has been involved in the Restoration industry for over 30 years, owning a restoration company with 8 locations throughout British Columbia, then as Director of Restoration Development and the**clean**trust (IICRC) training for Stanley Steemer.

Pat has been involved in Catastrophic Loss Management for all hurricanes and major flooding in North America to date, including Florida's Hurricane Andrew in 1992, the 4 Florida hurricanes in 2004, and New Orleans' Hurricane Katrina in 2005.

Pat became a lead instructor for Dri-Eaz Products in 1999, writing and teaching the first Applied Structural Drying course offered. He then founded Restoration College, averaging 75 schools per year for restorers and insurance adjusters throughout Canada and the U.S.

He is currently the only Canadian the**clean**trust (IICRC) approved restoration instructor with field experience.

As a Voluntary Committee Member of the**clean**trust (IICRC), Pat participated in rewriting the new S500 Water Damage Standards section on Large Loss Drying.

Today Pat continues to teach, write articles, manage catastrophic losses with his company, Drytech International, as well as providing expert witness testimony in legal disputes involving the restoration industry. He is a keynote speaker at many conferences including the Canadian Adjusters Association, and is a consultant and trainer to the Insurance industry.

Pat Dooley is the only Canadian instructor among 6 the**clean**trust (IICRC) approved, worldwide, to teach the new the**clean**trust (IICRC) Commercial Drying Specialist course.

APPROVED COURSES

thecleantrust (formally IICRC) owns no schools and produces no training materials. However, thecleantrust does recognize established schools throughout the nation that meet specific standards of certification.

Anyone attending these schools has the option at the end of the course to take thecleantrust Certification Examination.

That examination, along with proper application and fees, is forwarded to thecleantrust for processing. Once a person meets the qualifications, they are sent Certification credentials.

Certification:

Certification testing begins immediately following the course.

Note:

Separate application and cheque or credit card, payable to the thecleantrust in U.S. Funds, is required for certification. This must be paid to the instructor at exam time. Certification fee is \$50.00 U.S.

Cancellation Policy:

If Fibreclean needs to cancel the course, students will be given a full tuition refund. Fibreclean will not be held responsible for any cancellation fees for travel or accommodations. Student fees are non-refundable if cancelled by registrant.
